Here I present to you the wolf-dog of Mrs. Naomi Kuro and her daughter, Asako, shown here with Sarah and her two sons, Graham and Riley. They completely erased my preconceptions about the dangerous nature of wolf-dogs.  
I have never met such lovely individuals. I would love to hug them again (but physically).

COUNTER ATTACK

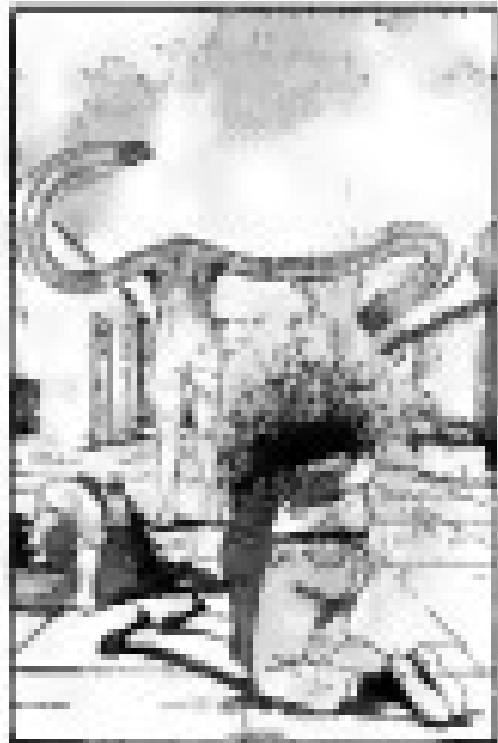

# INUGAMI

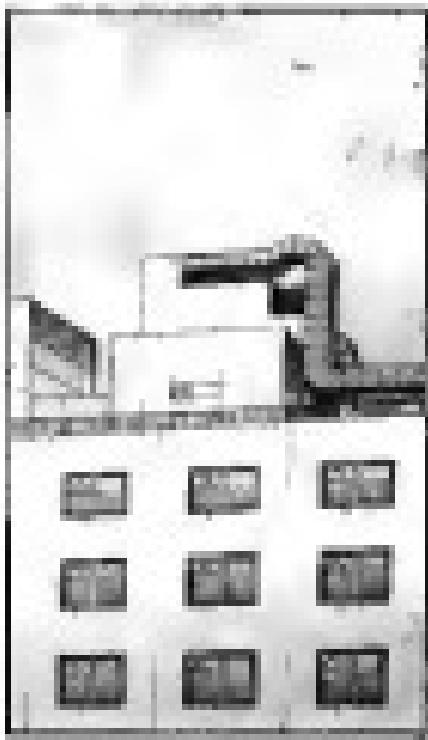

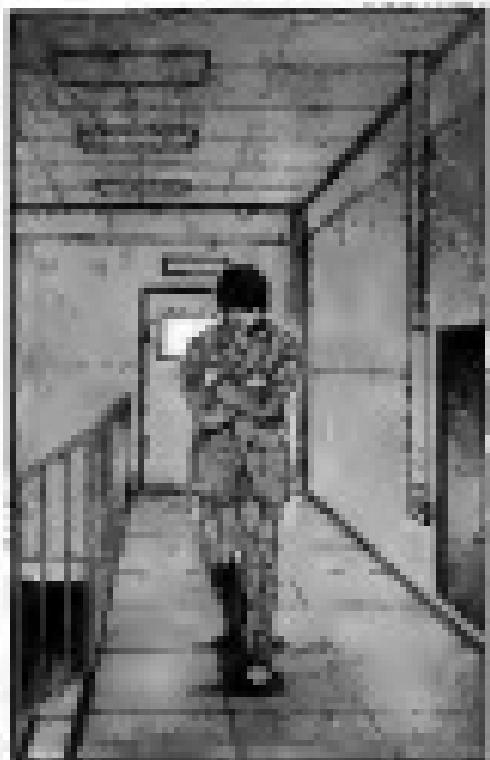

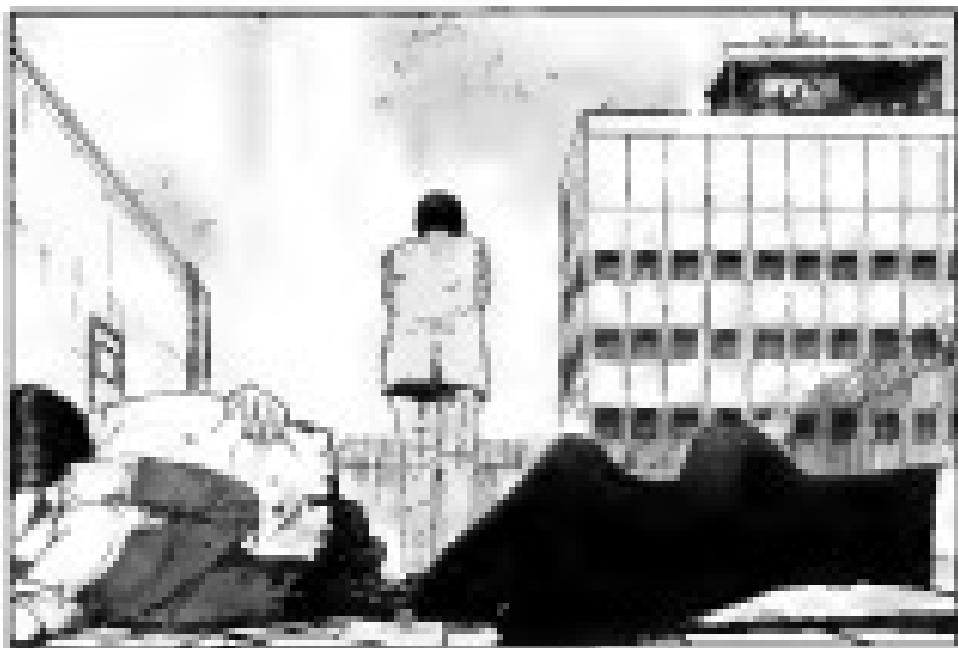

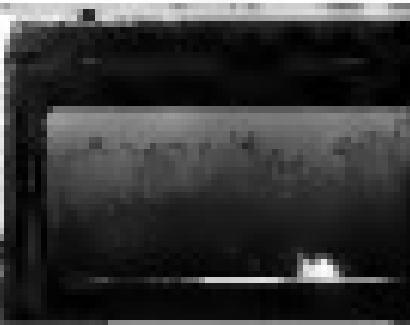

For six hours yesterday afternoon attempted a massive operation but the hope of finding any survivors of the 20-strong crew has faded

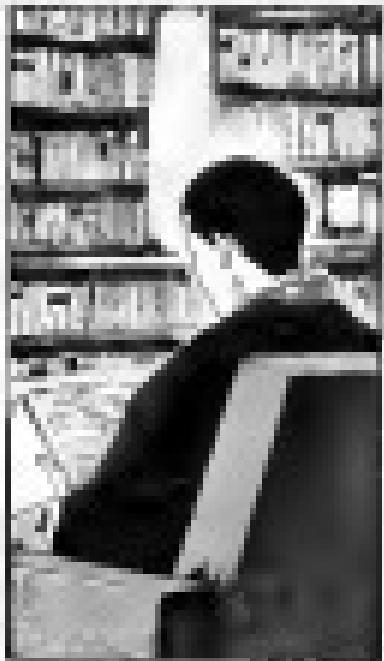

Tonight around 5.30pm a helicopter at the 30th Airborne of the National Defense Agency crashed into the forest of Tama, Tokyo.

Yasuda Tada, the only survivor of the tragedy, manager of the village of 8 men, also on board

It's clear that we'll use the  
increased storage room... It  
points us on with the increased  
business!

I am certain  
that it does all  
of this with an  
specific goal  
in mind!

Also...

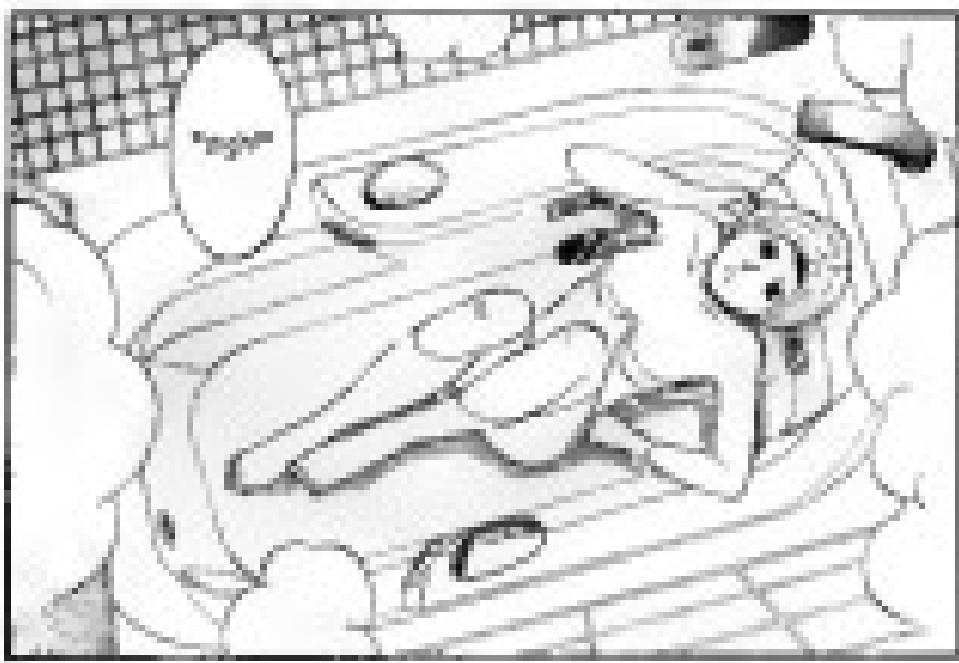

You've  
abandoned  
me...

forever...

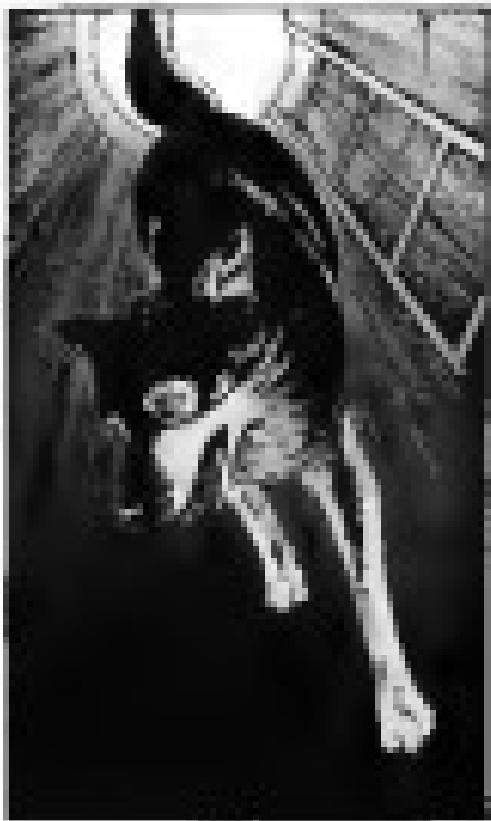

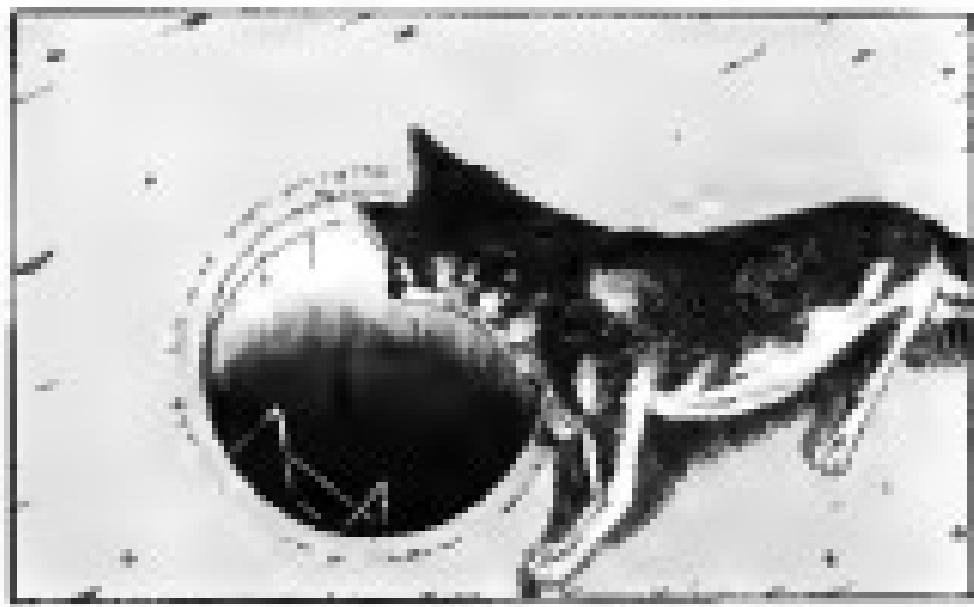

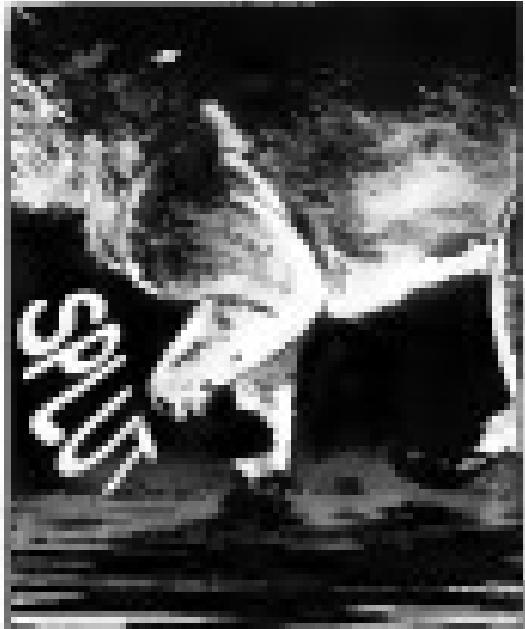

Tell them  
to hurry  
up!

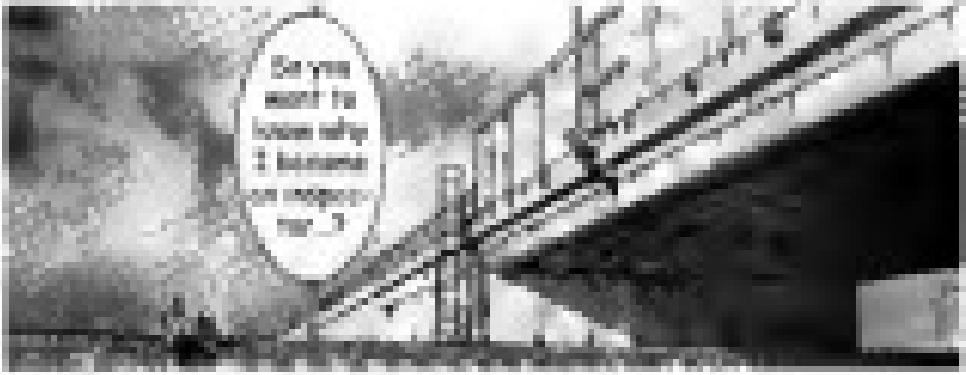

Don't  
hesitate  
any longer!

Help tell  
Helen again  
who is  
invited!

It will be  
remembered!

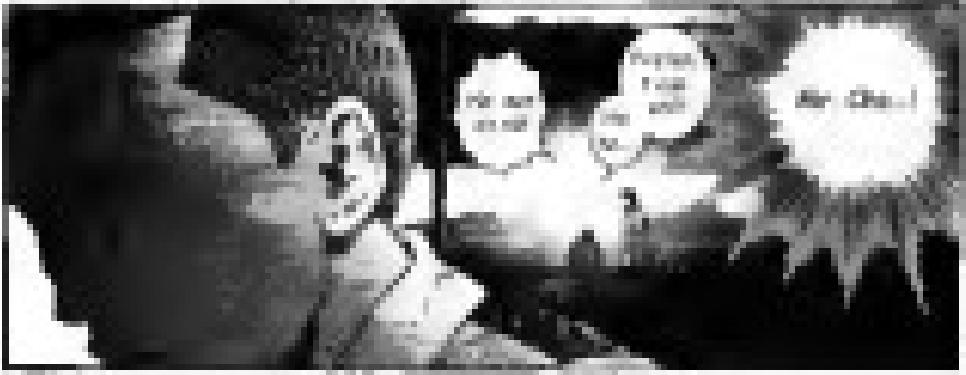

Do you  
want to  
know why  
I became  
an engineer  
...?

To find  
irrefutable  
evidence that  
one can believe  
in humanity!

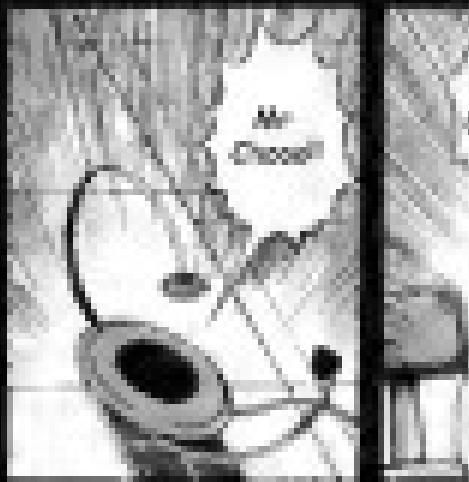

Human  
is made

The man  
you will  
see

Human  
is not  
the  
man

See  
that

Mr. One  
what's  
happening?

!

This is the  
creature that  
destroyed village 5.

This is IT

you

Do you  
know this  
from the other  
parents of  
T. Wright?

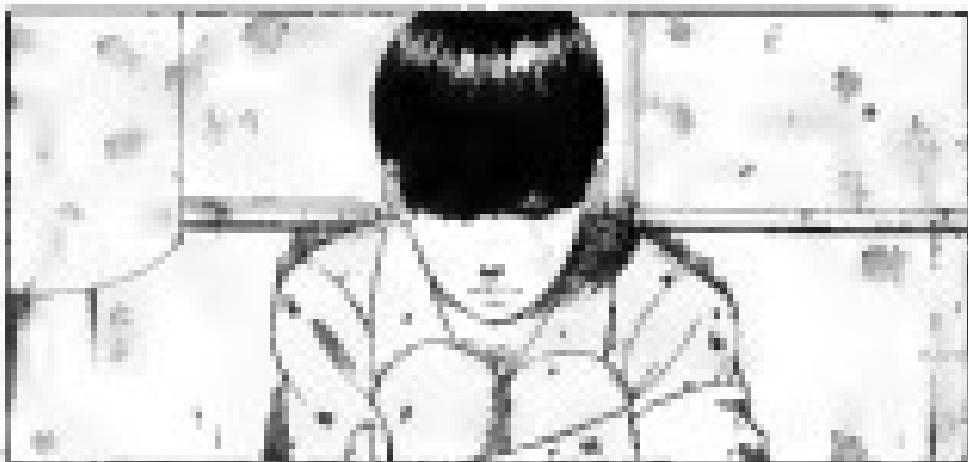

Maybe  
we'll find  
it later.

We have  
to discuss  
right now  
the research

I'm not sure  
why, but I  
started to tell  
everything to  
that boy who  
I'd just met.

And I told him,  
I felt a heavy  
burden lifting  
from me...

Perhaps because  
I felt so lost  
that I needed  
to tell somebody

Perhaps  
because  
that story  
was enough  
to...
